Redness Relief: Targeting Rosacea with Lasers

by Emmy M. Graber, MD, Joshua Zeichner, MD, FAAD

Emmy Graber, MD, MBA sits down with DermTube Journal Club host Josh Zeichner, MD to discuss options for treating erythema of rosacea. While many treatments options are available to treat the papules, pustules, and other symptoms of rosacea, many patients are left frustrated by ongoing redness. Dr. Graber shares tips for effectively targeting the redness through laser therapy.
